

## Side Quest in Question

The walls are fading  
The song in my head sounds amazing  
It's all outdated  
Just a matter of time before it's dangerous

And there's a cool, bold, new way to be  
Let it all out things are getting pretty bleak  
He was too cold you could still feel the head  
Burning through his hands going out through his feat

Blood on my feet from my walk out  
Blood on my feet from my walk out  
I'm still standing I want more  
Give it all it's what I'm here for
